September 21, 2017

Recently, Equifax, one of the three national consumer credit reporting agencies, announced a major data breach. This breach affects approximately 143 million Americans. This is what we know according to Equifax: the data breach occurred May – July 2017, and the information stolen includes consumers' personally identifiable information, including names, Social Security numbers, dates of birth, addresses and, in some cases, driver's license numbers. Approximately 209,000 credit card numbers and dispute documents with personally identifiable information for approximately 182,000 consumers were also stolen. There is no evidence of unauthorized access to consumers' credit reporting databases.

To be clear, The First National Bank in Carlyle was not compromised and your information was not stolen from our bank. However, The First National Bank in Carlyle takes the security of our customer information very seriously, and we are providing you with the information we know about this massive breach and the steps you can take to protect your personally identifiable information if you so desire. Following this unprecedented breach, we are also asking our customers to be extra vigilant and report any suspicious activity in your First National Bank in Carlyle accounts to First National Bank in Carlyle by calling 618-594-2491 or visiting 1nbcarlyle.com.

Equifax has established a website that informs consumers if they may be affected by the breach, provides additional information on the breach, and offers complimentary identity theft protection and credit file monitoring. This information is available at www.equifaxsecurity2017.com. To protect your identity and personal information, The First National Bank in Carlyle strongly encourages our customers to take the actions noted below.

- Review your account statements to spot any suspicious transactions. You can also monitor your account activity online at any time at 1nbcarlyle.com.
- If you spot any suspicious transactions, please contact us immediately at 618-594-2491.
- Consider if you should place an initial fraud alert on your credit report (see <https://www.consumer.ftc.gov/articles/0275-place-fraud-alert>).
- Consider if you should freeze your credit file (see <https://www.consumer.ftc.gov/articles/0497-credit-freeze-faqs>).
- Review your credit reports for accuracy. Call any one of the three credit reporting agencies to receive your free annual credit report or visit www.annualcreditreport.gov.
