

GOLDSMITH-FIELDER AGRICULTURAL SCHOLARSHIP

The Goldsmith-Fielder Agricultural Scholarship is given in memory of two sisters, Gladys Goldsmith and Inez Fielder, who were two of the first women to graduate from the University of Illinois. Agriculture was an important part of both women's lives. Together, they owned and operated a very productive 250 acre farm near Champaign, Illinois. Gladys and Inez were partners of the Goldsmith-Murphy operation in the exploration and production of oil in the Boulder Oil Field, now submerged by Carlyle Lake. Their father was one of the pioneers of the Kaskaskia River Basin Project of the 1930's, when it all began; interrupted by World War II; and reactivated in the 1950's. Gladys was a staunch supporter of the Carlyle Lake and Dam project. She was one of a four member partnership in the building and operation of Motel Carlyle, Carlyle, Illinois, with a grand opening in February 1970. Inez and her husband, Virgil Fielder, spent many years in Fayetteville, Arkansas where he taught vocational agriculture at the University of Arkansas.

This scholarship was initiated to help those who are pursuing agricultural interests. Those who choose to help sustain this worthy endeavor may make contributions to this trust fund at the First National Bank in Carlyle.

The number and annual award for each scholarship shall depend on the income earned by the trust. Annual net income of \$3,000.00 or more can provide three or more scholarships. Net income between \$1,500.00 and \$2,999.00 can provide two scholarships. Net income less than \$1,500.00 shall provide one scholarship. The Trustee has the final decision as to the number and amount of scholarships.

Students eligible for these scholarships are students graduating from the high schools of Carlyle High School, Carlyle, Illinois, Central High School and Mater Dei High School, both in Breese, Illinois and who are pursuing an agricultural degree. The recipients may be from any one or a combination of the above schools and shall be chosen by the Selection Committee.

The Trustee shall establish a Selection Committee. The Trustee will notify the Selection Committee of the number and dollar amount of the scholarships that can be awarded by January 31st. These awards will apply to the school year beginning the ensuing fall. It is the responsibility of the Selection Committee to develop an application form, to determine the criteria and to inform the schools of the availability of the scholarships. The committee is to give consideration to academic achievement, self-motivation and extra curricular activities of the applicants and to a lesser degree, their financial needs.
