

Keep More of Your Money

You have more to worry about than your credit card processing company limiting profitability.

Talus Pay Consulting is an independent advisor with decades of experience guiding businesses through the complexities of card processing and compliance. Fully-customized solutions are available for any type of business including manufacturing (B2B), healthcare, restaurants, retail and e-commerce.

EASY AS 1-2-3

DATA ANALYSIS

1 Provide 3 months of statements and we will provide a complete analysis telling you exactly where you stand.

CUSTOM SOLUTION

2 Learn how to maximize your cost-savings and reduce the risk of fraud to determine if the solution is right for you.

EASY IMPLEMENTATION

3 Start saving in as little as 2 weeks with our dedicated implementation team.

Why Choose Us?

Talus Pay Consulting puts the 'service' back into Merchant Services.

Payment processing is only the beginning: Talus Pay acts as an extension of your business by managing your security compliance and advising on best practices. Being processor-independent allows Talus Pay to focus on your business, working on your behalf. Regular performance monitoring, reporting and communication keeps you informed of your savings throughout the year.
